WEDDING + EVENT STUDIO

HELLO *and* WELCOME

I'm so glad you're here! Congratulations on getting engaged - getting married is such a momentous life event and we are so honoured to be considered as part of your wedding dream team.

This guide is here to help you get a better idea of the services we offer and what it's like to work with us.

We can't wait to get to know you and hear all about your wedding plans!

Hi, I'm Becca

Planner, problem solver, new wedding best friend.

I'm the Award Winning founder and creative director of Evermore Event Studio and I am SO excited to work with you.

I've been coordinating and planning weddings in the U.K. and Australia for ten years.. I got into the wedding industry by accident after I graduated with a History degree and no clue what to do with it. I was working for a wedding venue whilst looking for graduate roles and they offered me a wedding coordinator role. I fell in love with weddings and have never looked back (apart from a stint in HR when I thought I wanted a 9-5...how wrong I was!).

I spent several years living and travelling all over the world before starting Evermore Event Studio in 2020 - possibly the worst time to start a wedding business but since then I've been featured in multiple wedding publications, gone full time with my business, worked on some absolutely DREAMY weddings, and been named one of the UK's Top Wedding Planners by Hitched UK!

WHY CHOOSE ME?

I might be the planner for you if....

- You want a wedding that is fun and unpretentious but mega organised and super stylish.
- You're planning a marquee or dry hire wedding and want an experienced wedding pro to make sure your day runs perfectly.
- You know you don't want your wedding to look and feel AMAZING but you're not sure where to start.
- You want a coordinator or stylist who is fun, friendly and who will get as excited about your wedding plans as you (honestly, I'll be your number one hype gal).
- You want someone who will go the extra mile to make sure your day is absolutely perfect. The difference between ordinary and extraordinary is that little extra. I'm always looking for the little extra that will take your day from good to great, whether that is straightening chairs so your photographer gets the perfect shot, running last minute errands for you, even walking the bride and groom's dog (yup this really happened!).

OUR STYLE

Modern, mega-fun, meaningful

We specialise in modern, design led weddings. Our style is playful, modern and unpretentious and we aim to celebrate YOU in all our designs rather than sticking rigidly to a certain style (although as you can tell we do love a bit of pink). Anything unique and nontraditional is our jam - no cookie cutter weddings here!

Becca has 20 years hospitality experience all over the world so we won't just make your event look amazing, we will make sure it is also an incredible experience for you and your guests.

If you want a wedding that looks like an editorial and feels like the best party ever then you're in the right place!

Hiring Becca was the smartest decision we made for our wedding

I feel the price we paid was extremely reasonable and worth every penny. Becca worked amazingly with our other suppliers to create a wedding that was absolutely beyond our expectations. Most importantly for me was all the supplier coordination that happens nearer the time, it freed us up to get other things done, lessened the stress and then the day itself was seamless. No one needed to bother us with anything so we basically just fully enjoyed the day, and if anything was going wrong we definitely had no idea and still don't!! Becca is also just a lovely, chill, but super organised person with a great eye for detail and we loved having her around as part of our day.

Becca was a godsend!

Becca was a godsend! Nothing was too much trouble and she was so helpful in finding exactly the items we wanted on the day. I don't know what we would have done without her on the actual day as the venue had quite a few mishaps and Becca smoothed everything out. If you are in doubt about hiring a planner, we say do it and it's money well spent. Thank you so much for making our wedding day

*The day would have been utter chaos
without you*

Becca, Becca, Becca, what can I say? The day would have been utter chaos without you. You thought of things we didn't, solved problems before they became a problem and dealt with any issues quickly and without them affecting us. To quote Mike, "Hands down the best money we spent." - I couldn't agree more! We cannot thank you enough for helping to give us the perfect day. If the marriage ends up in the crapper, there is no one else I would want organising my second wedding... Thank you, thank you, thank you!

FREQUENTLY

Asked Questions

Are there any fees not mentioned in your packages?

If your wedding is more than 1.5 hours away from our base in Devon, is a particularly late finish, or requires an overnight stay, we will charge reasonable travel and accommodation expenses. We are as upfront as possible about our prices throughout the planning process and will give you a bespoke quotation with a breakdown of costs following your consultation call.

Our budget won't stretch to full planning, but we really need help. What do we do?

You're in the right place! We offer a wide range of services at lots of price points. Check out our super flexible Digital Planning Services which let you Pay As You Plan for totally bespoke support.

What happens if you are ill?

When we book a wedding, we make sure it goes in the diary for at least two people, and that both of those people know exactly what is happening in case something happens to one of them which means they can't do their job. It's never happened yet (and we hope it never does) but we like to have a backup plan just in case!

Can you help us stick to our budget?

Absolutely! Talking about budgeting might seem boring, but we are experts at helping find creative ways to get what you want without breaking the bank.

Do you offer hire items?

You bet! We have a curated hire collection that will instantly elevate your wedding or event!

Are you insured?

Of course! We have Public Liability Insurance for your peace of mind and ours.
